

Call for Articles: Regenerative Business: Strengths-Based Approaches to Building a Better World

To be published in *AI Practitioner*, November 2025

Topic: Regenerative Business

Articles should advance the idea of Regenerative Business as an approach to business....

- that develops market-based solutions
- which restore, repair and revitalize our social and natural systems,
- and generate both short and long-term value for all stakeholders involved
- by using collaborative networks to transform the business ecosystems they operate in.

Proposal Deadline: March 16, 2025

- Proposal Length : 250 word approximately
- For more info to help you submit your proposal, please email the editors for this special issue:
